Whether you wish to prepare for places yet unexplored, to relive memories of places visited, or just to read about amazing journeys when you're stuck at home, we've picked six great books released this fall to help cure (or fan the flames) of any wanderlust you may be feeling.

A must for any oenophile, ***Exploring Wine Regions: Argentina*** (\$35) follows the 13-week trip of Michael C. Higgins, Ph.D. as he explores 58 wineries and tastes almost 600 bottles of wine.
