

"The perfect companion for any wine lover or travel enthusiast.

Synopsis: Author and photographer Michael C. Higgins brings a unique approach in educating and inspiring readers about the wine region of Bordeaux France in the form of a kind of profusely illustrated journey that deftly explores the long and fascinating history of wine gastronomy, castles and joie de vivre, the French way of living life.

Critique: Ideal for the armchair traveler and for mapping out excursions for the adventurous on-site traveler, "Exploring Wine Regions – Bordeaux France: Discover Wine, Food, Castles, and The French Way of Life" is an extraordinary, informative, and thoroughly 'user friendly' resource that is especially and unreservedly recommended for personal, professional, community, and college/university library Travel Guide and wine enthusiast reference collections."
