**WINE COUNTRY GUIDE** *Exploring Wine Regions — Central Coast of California* is the ultimate guide to California's famous Central Coast for food, wine, and travel enthusiasts. Peppered with beautiful photos by Michael C. Higgins, the guide offers a wealth of information, fuels wanderlust, and whets your appetite. \$44.95; available online or at your favorite local bookseller

**CUSTOM GARDENS AND FENCING** Want to secure your yard, create a vegetable garden, or create a safe area for kids to play? Custom fencing from Frame It All's system of eco fences and modular gardens offers a little bit of everything. Get your yard entertainment-ready for the holidays with ease and style. From \$44; [frameitall.com](http://frameitall.com)

**NEW FROM ARVINO** The fall/winter collection from Arvino is full of rich and colorful gemstones with a modern vintage flare. The stones are assembled in a mix of geometric patterns, some asymmetrical like this unique bracelet. The 22k multicolor gemstone in gold vermeil livens up any holiday outfit. \$140; [arvino.co](http://arvino.co)

**PET SUPERFOOD** We spend a lot of time creating menus for humans at our holiday affairs; now it's time for our pets with award-winning Rockster Superfood. This high-end line is bio-organic and contains the highest quality of ingredients for your pet's health. It comes in a variety of flavors. \$96 for a 12 pack; [us.therockster.com](http://us.therockster.com)
