The Wine Chef Holiday Gift Guide 2023

December 06, 2023

This year's guide presents a curated selection of non-wine items that make creative gifts when paired with particular wines.

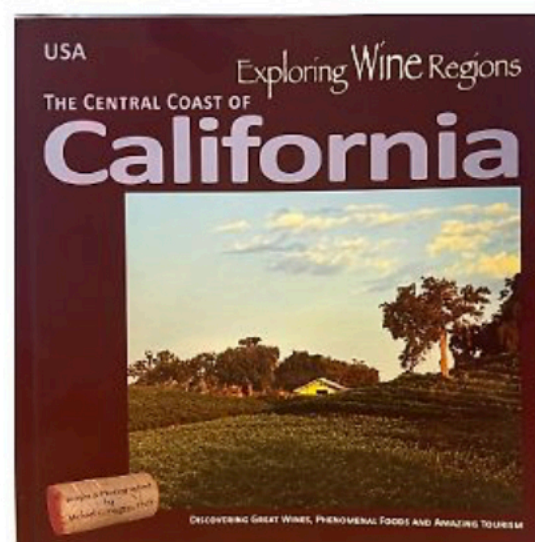

From tasty cheeses to toasty warm gloves, every item on the list was carefully chosen as a way to enhance a gift of wine. Hopefully, these gift pairings will add an extra touch of warmth and flavor to your wine-loving friends and family's celebrations.

Exploring Wine Regions: The Central Coast of California

Michael Higgins's latest addition to the **Exploring Wine Regions** series, *The Central Coast of California* (\$45 on [amazon.com](https://www.amazon.com)) is a **must-have** for wine enthusiasts dreaming of exploring this breathtaking region. Featuring stunning photography, detailed winery profiles, and insights into the region's terroir, it provides a comprehensive guide to California's Central Coast wines and wineries, culinary scene, and attractions beyond the tasting rooms.

Higgins's personal touch and passion for the region shine through, making readers feel like they're receiving advice from a trusted friend who's intimately familiar with Monterey, San Luis Obispo, and Santa Barbara counties.
